This includes staff to serve at the bar, collecting glasses, etc.

If you opt for this convenient bar service at no expense to you, please understand that no outside beverages—alcoholic or non-alcoholic—are allowed during the event. This policy helps us maintain a high-quality experience for all our guests.

To ensure a seamless experience, we kindly request a deposit of £1,000.00. This will provide coverage for any accidental breakages and help compensate for revenue lost due to our BYOB (Bring Your Own Beverage) policy, which will match the value of any drinks you bring into the event.

Open Bar

There are several ways to provide an open bar for your guests without breaking the bank.

One option is to prepay for two or more drinks by giving each guest a corresponding number of tokens. Alternatively, you could establish a specific start and end time during which guests can enjoy one or more complimentary drinks.

After the tokens are used or the designated time is over, guests will be responsible for paying for their own drinks.
